I.

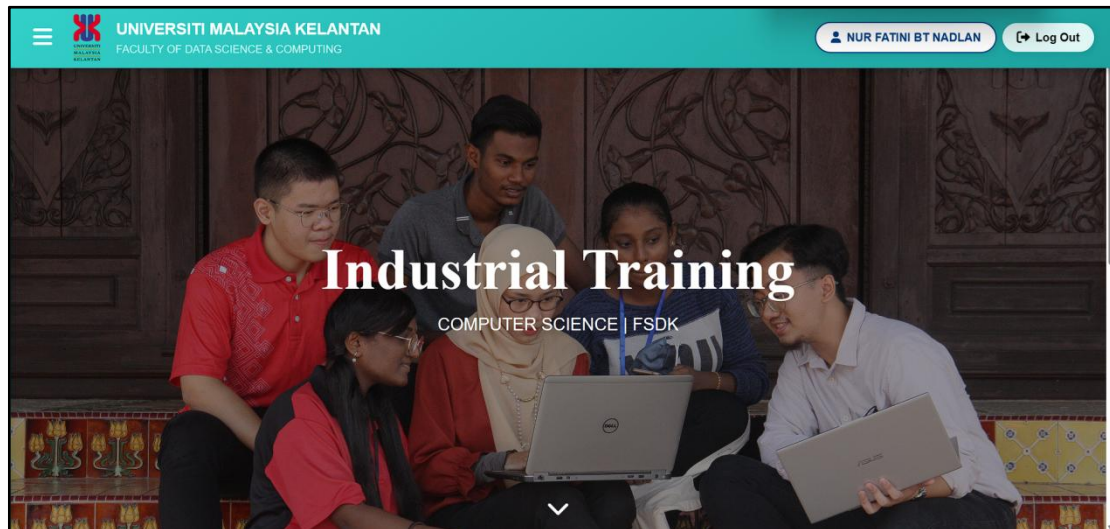

Diagram 3.1 Page Home

At the top, the student's name appears beside the logout button. When clicked, it shows a form to change the password. The main banner section displays a welcoming image titled "Industrial Training" with an arrow button at the bottom that, when clicked, scrolls the page to the dashboard content.

II.

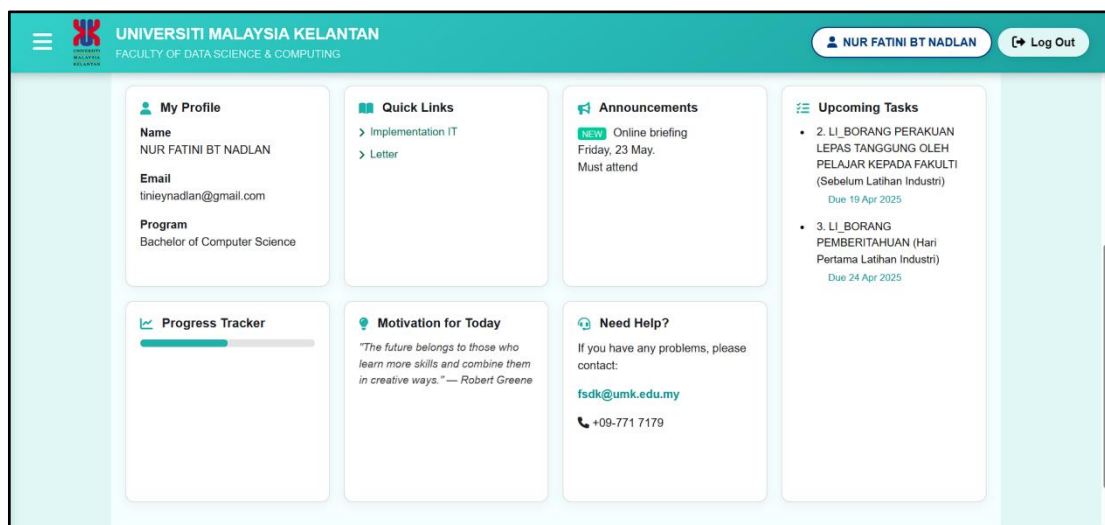

Diagram 3.2 Page Home

The dashboard contains various cards that display useful information. The "My Profile" card shows the student's name, email, and program. The "Quick Links" section provides direct access to important pages such as "Implementation IT" and "Letter". The "Announcements" card displays the latest update or notice from the faculty. The "Upcoming Tasks" section lists any pending submissions along with their due dates. The "Progress Tracker" visually indicates how much of the required work has been completed. The "Motivation for Today" card displays a motivational quote to inspire students. Lastly, the "Need Help?" section provides contact details for technical or academic support.

Application Status

Status Undergoing Industrial Training:

Haven't got any LI yet At least get 1 LI Already confirmed / decided

Forms

1. LI_BORANG MAKLUM BALAS INDUSTRI NEW (Sebelum Latihan Industri)	fill in
Due: 2025-04-25 14:19:00	
2. LI_BORANG PERAKUAN LEPAS TANGGUNG OLEH PELAJAR KEPADA FAKULTI (Sebelum Latihan Industri)	Upload
Due: 2025-04-19 14:19:00	
3. LI_BORANG PEMBERITAHUAN (Hari Pertama Latihan Industri)	Upload
Due: 2025-04-24 14:18:00	

**Diagram 3.3 Page Implementation Industrial Training**

The Application Status section allows students to update their current status regarding Industrial Training. Students can choose from three options: "Haven't got any LI yet," "At least get 1 LI," or "Already confirmed / decided." When a student clicks one of the buttons, the system saves and displays their selected status to keep track of their progress. The Forms section displays a list of all the required forms that students need to complete before starting and during their Industrial Training. Each form includes its name and due date. Students can either fill out the form online or upload the completed file. This section helps students ensure they submit everything before the deadline.

IV.

The screenshot shows a web form titled "INDUSTRY FEEDBACK FORM" from the Faculty of Data Science and Computing (FSDK) at Universiti Malaysia Kelantan. The form is divided into two sections. Section A, "To be completed by Student", contains five input fields: "Student's Name", "Programme of Study", "Duration", "Email Address", and "Telephone No". The form is set against a background with teal and blue gradients.

**Diagram 3.4 Industry Feedback Form**

When the "fill in" button is clicked, the student is taken to Industry Feedback form to complete. The form has two parts: the first part asks for the student's name, programme, duration, email, and phone number. The second part asks for internship details like the company name, address, dates, and supervisor info. Students can also tick benefits like allowance or accommodation and upload a related file. There are two buttons—Save to keep the form for later, and Submit to send it when everything is complete.

V.

The screenshot shows a web interface titled "LETTER" under the header of Universiti Malaysia Kelantan, Faculty of Data Science & Computing. The user is logged in as "NUR FATINI BT NADLAN". The main content area displays a list of five documents for download, each with a title and a file extension:

- 1. dean list umk.docx (student dean list)
- 2. BORANG CUTI REHAT.doc (cuti)
- 3. dean list umk.docx (gerg)
- 4. BORANG CUTI REHAT.doc (vf)
- 5. BORANG BAYARAN ELAUN PELAJAR PRAKTIKAL.docx (ff)

**Diagram 3.5 Page Letter**

This page allows students to view official letters related to their industrial training and download them by clicking on the letter titles displayed in the list.
